

J. Gordon Metcalfe Notifies Members That He Will Be Leaving Position December 31st—Salary Is Only \$900 Per Year—West End Water System Has Lost 4,250,000 Gallons Of Aqua Pura—Councillor Bartlett Wants A Water Commission.

Water was again the big question under discussion at the regular meeting of North Grimsby council on Saturday. In fact the council spent no less than one hour and 40 minutes floating around on this question. Another water problem came to light on the west end system. This latest headache is the mysterious disappearance of four and one-quarter million gallons of the aqua pura.

From figures tabled by Water Rates Collector Herb Gillespie over 11,000,000 gallons of water passed through the master meter for the past year ending September 30th. Total readings of all the consumer meters only show a little better than seven million gallons consumed by the 82 users on the system. Therefore four and a quarter million gallons have disappeared some way somehow.

Consumption figures for the east end system were not available on Saturday and council do not know where they stand for that system.

Councillor Bartlett brought up the question of a Water Commission being established for both the township systems in place of a committee from the council handling the systems as at the present time. This suggestion did not entirely meet with the approval of all the members, although they did admit that there was a tremendous lot of work in connection with the two systems.

Councillor Bartlett's contention is that there is too much work and detail in connection with the system for any two members of council to (Continued on page 5)

## 422 PATIENTS TREATED DURING NINE MONTHS AT THE HOSPITAL

SERVICE REPORT OF WEST LINCOLN MEMORIAL HOSPITAL, JANUARY 1st TO SEPTEMBER 30th, 1948

The following is a report of operation from the first of the year to September 30th, and includes twenty-nine days of January at the original building, and from February 24th to September 30th at Nixon Hall.

<b>Admissions (1948)—</b>	
Male .....	105
Female .....	317
	422
Newborn male .....	94
Newborn female .....	83
	177
	599
<b>Operations .....</b>	<b>183</b>
<b>Deliveries .....</b>	<b>177</b>
<b>Number of patients treated—</b>	
Adult .....	435
Newborn .....	180
	615
<b>Number of Patient Days—3618</b>	
<b>Admissions (1947)—</b>	
Adults .....	527
Newborn .....	184
	711

Admissions for the same period of time in 1947 are shown also for purposes of comparison. It will be noted from the statistics submitted that services rendered in the obstetrical department average about the same for the two years, the present year showing three fewer admissions.

In addition to the three weeks interruption of service in February, the very limited accommodation and scope of service are contributing factors to the decline in hospital admissions. The additional services and increased accommodation in the new building will do much to restore this figure.

## V.O. NURSES ARE MAKING MANY VISITS TO GRIMSBY PATIENTS

Made 116 Calls In October—45 In The Township—592 In The County—251 Paid Visits—55 Part Pay—\$270 Collected.

During October 167 patients received a total of 592 visits, 68 being new patients admitted during the month, 352 visits were for the purpose of giving bedside nursing care, and in those 352 visits, 38 were to mothers and babies, 60 to cancer patients, 112 to patients with long term illness, and 142 to medical and surgical patients. Out of the 142 medical and surgical visits 62 were to pts. on return from hospital, who required further nursing care, such as surgical dressings, treatments, etc., which once again shows us how the hospital and the visiting nurse co-operate and work together. The hospital calls on the V.O.N. to carry on where they leave off, thus releasing a much needed bed, and assisting the pt. or township financially.

Miss Ferguson from National Office visited with the staff nurses for a week the first of the month. I was on vacation from Oct. 25-Nov. 9, Miss Julien from the Hamilton Branch kindly consented to relieve for me. Miss Secord and Miss Enns addressed two meetings on the work and policies of the Order.

Fees collected include 251 paid visits, 55 part pay visits, making a total of \$270.30.

A request from a private Sanatoria at Campden was received last month for the V.O.N. to visit daily to assist those in charge with the carrying out of Doctors orders, etc. Dr. Currie and National Office that we would be able to render a worthwhile service to the Sanatoria.

Calls in the various parts of the County were:-

Big Power Users Have Saved The Situation For The Domestic Users—Local Hydro Officials Got A Scare Last Week When We Went Over Our Quota By Two Per Cent For One 24 Hour Period.

Prepared as this is on a bright sunny day, it is a bit difficult to picture the dark days ahead, when it is expected the supreme test will arrive as far as the hydro situation is concerned. The shorter days will naturally call for added lighting, the cold weather necessitates more power used for heating purposes, and so for the next few months, the magnificent effort which has been put forth by the people of Grimsby, may have to be not only continued but a further effort to conserve power an absolute necessity.

There actually is very little to be said about those rural sections of West Lincoln now suffering the inconveniences of power cuts. They have been given a quota to meet, failing to do so, forced the one hour interruption that they now have five days a week. If a concentrated effort was put forth, there is no reason why the one hour cuts could not be done away with.

While the local citizenry are justly proud of the fact that Grimsby has escaped the power breaks that so many cities, towns and villages are feeling now throughout the Province, the matter is not just as rosy as one might think. Last week for the first time, we were over the quota by about two per cent.

This scare just about floored hydro officials, who are completely at a loss in explaining just why the metre readings showed us over. A (Continued on page 5)

## NEW ARRANGEMENTS FOR TRANSIENT VETS

In Future All Ex-Service Men Will Be Looked After By Police Department.

There has always been a movement of transients across the country looking for work; some to take it up and some to dodge it. A proportion of these "roamers" or transients are ex-Service men, some of whom are in need of assistance. It has always been a hard job to differentiate, and it has been very troublesome to those trying to administer Legion relief to have people on their door step at all hours.

Arrangements have now been made, thanks to the co-operation of the Chairman of the Police Commission and Chief of Police James, that transients inquiring for the Legion for relief, should be referred to the Constable on duty, who will examine their documents and, if deserving, arrange for a meal, etc.

This is most satisfactory, as it will let the Police know who is in town, take care of any deserving ex-Service man, and on the mention of Police any undeserving case will clear out of town on his own.

## MOVEMENT TO FORM NEW SERVICE CLUB

Extension Counsellor Of Optimist International Is Interviewing Grimsby Citizens—Would Like 35 Members.

Poppy Day, while providing a very useful sum for the Vetscraft Factory, the organization which provides an occupation for disabled ex-Service men and women, and an addition to the local Poppy Fund, was not an unqualified success, there being a great dearth of taggers, some areas were not covered at all.

It is interesting to note what a City like Ottawa did to carry out "Operation Poppy." Over 1000 High School students, ladies from the May Court, Protestant Girls' Club, C.G.I.T. and A.Y.P.A., Overseas Wives' Club, Metropolitan Life Employees' Association and many Service Clubs, provided the "Taggers" and administration.

West Lincoln has similar organizations and Service Clubs and there is no doubt that by a combined effort this fund can be maintained to meet the increasing demands. The veterans of War I are (Continued on page 5)

## POPPY DAY WAS NOT REAL BIG SUCCESS

A Dearth Of Taggers Was The Real Reason—At That \$264 Was Netted For Fund.

A movement is on foot in Grimsby to form a local club of the Optimist International and Mr. J. R. Laird, extension councillor, of Windsor has been in town for some days interviewing different people with this object in view.

Optimist International is a service club that operates similar lines as the Lions International. Mr. Laird in conversation with The Independent stated that he had secured a list of about 60 prospective members and would be quite satisfied if the club got organized with a membership of 35. If successful in his efforts to organize a club in Grimsby it would be sponsored by the Optimist Club of Hamilton.

Objects of the club are:  
To internationally develop Optimism as a philosophy of life.  
To promote an active interest in good government and civic affairs;  
(Continued on page 5)

## COUNTY EXTEND BEST WISHES TO PRINCESS

New Bulldozer And Extra Equipment Will Be Purchased For Use On Road System—Light Session.

At the close of the sessions of the Lincoln County Council on Tuesday in St. Catharines, Warden Frank Laundry, of Beamsville, and the assembled councillors extended their hearty congratulations to Princess Elizabeth and Prince Philip, Duke of Edinburgh, on the birth of their son.

The congratulations and best wishes for the couple's and their son's happiness, were voiced in a resolution presented to council by Deputy - Reeve Cecil Secord of Grantham Township. The resolution will be forwarded to Their Royal Highnesses by cable.

Deputy - Reeve M. W. Leeson of Merriton, speaking for the special committee appointed by Warden Laundry in March of this year to (Continued on page 5)

Thirty Tons Of Steel Arrived Last Week, More To Come Within A Few Weeks—Other Building Materials Now Arriving Daily—Ontario Construction Co. Contracts Cover 80 Per Cent Of Building—Total Cost Will Be About \$250,000 Completely Equipped—About \$19,000 Will Still Have To Be Raised.

Construction work at the West Lincoln Memorial Hospital which has been slowed down for the past month is again back to normal with a full crew at work.

Last week a consignment of thirty tons of steel was received for the main floor, which together with other material permits the next group of jobs such as floor slab, walls, partitions, windows, etcetera, to go ahead. A further thirty tons of steel for the roof is due in a few weeks, and this together with other necessary parts promised for early delivery gives rise to the expectation of being under cover soon.

Contracts with the Ontario Construction Company have been extended to cover up to eighty percent of the building, and much of the remaining material has been ordered up to be on hand when required.

About sixty percent of the necessary equipment required is now on hand, some in use at Nixon Hall, and other units being stored. The balance is on order for February delivery.

The Ladies' Auxiliary is engaged in an active programme of sewing, holding frequent meetings at which the numerous items of hospital linen are made.

Several organizations have recently furnished rooms—the latest being the Canadian Legion and the I.O.D.E.

In reply to the question "What is the position of your finances?" Mr. A. R. Globe, Chairman of the Board, stated "Now that we have firm contracts and firm quotations on over eighty percent of the requirements, it looks like about \$230,000.00 for the job complete. To meet this, over and above some undertakings, we will have to raise about \$19,000.00, so we are ninety-two percent up the ladder. About \$2,000 in pledges of last March throughout the District are still outstanding, and payment of these will ease the work of the Finance Committee."

Grading in front of the building including the laying of a water main will be complete by next week, which will leave things shipshape for spring.

## WOULD MAKE CAPITAL GRANTS TO HOSPITALS

County Council Recommend That All Hospitals Be Assisted That Have New Building Problems.

Closing the November sessions on Wednesday, the Lincoln County Council recommended that the 1949 council consider favorably the (Continued on page 5)

## FACTS &amp; FANCIES

Frank Fairborn, Jr.

## HONORS WELL DESERVED

For years I have argued that the finest women in Canada lived in Grimsby. That was exemplified on Tuesday night of last week, at the Lions Club dinner meeting in The Village Inn, when four of Grimsby and district's finest ladies were honored by the Canadian Red Cross, and presented with Badges of Service.

For over a year I have not been attending banquets and other night meetings, except town council, but have been turning all that work over to The Independent's crack reporter Gordon McGregor. Last Tuesday night Gordon had two assignments, both out of town, therefore I had to attend the Lions Club.

To say that I was pleased with the assignment is putting it mildly. I was more than pleased to be there and see those fine women presented with their Badges of Service by Dr. Routley, of the Canadian Red Cross.

Mrs. L. J. Pettit, vice-president of the Grimsby and District Red Cross in her introductory speech stressed the great work that these ladies had performed in the past seven or eight years. Her address was an excellent one, but Mrs. Pettit, being a newcomer to the district was not able to go back far enough, in fact she did not need to in order to have the proper women picked out for the honor.

Those four women that were honored have a longer history in Red Cross, I.O.D.E., and welfare work in general away farther back than eight years. The thought that passed through my mind as Dr. Routley was pinning the badges was "who will take the place of these ladies, yes, there will be ladies to take their place, but the record of service will never be as long."

One lady in particular was a toddler when I was and ever since she was big enough to be of service to anybody in any line of endeavour she has been. I will go back to War One and show you where she was a tower of strength then in war work and since then has been a woman who has always had a full year in doing her bit in community work and work that would benefit the whole country.

The other three ladies are not far behind her in their efforts to build the community and the country and for the betterment of all mankind.

The four ladies honored were Mrs. R. N. Wolfenden, Mrs. Claude A. Boden, Mrs. John L. Chambers and Miss Ann Crane. May their shadows never grow less.

## PLAY THE GAME

Co-operation on the part of the manufacturers, merchants and a certain percentage of householders in Grimsby have saved this municipality from receiving cuts in their workaday electric power usage. But the effort still is not great enough.

The effort on the part of the manufacturers and their employees and the merchants has been right to the limit. As a matter of fact Hugh Campbell, manager of the Growers' Cold Storage and Ice Co., saved Grimsby. He manipulated his plant and his power usage to such an extent, that with the help of the other factories and the merchants but little help from the domestic user, we have managed to keep within bounds.

Now then, Mr. and Mrs. Domestic User, you are going to keep within bounds or else The Independent is going to come out point blank and publish your names. Local Hydro Commission have men out at nights checking on households. The Independent has men out at night checking on households.

The Independent is not going to stop at publishing just street names and house numbers but will come out and publish names of the householders. We could do so now, if we wished. I could have stood last Tuesday night in my own front yard, at 11.45 in the p.m. and thrown a stone and hit a verandah light looming like a beacon on a storm bound shore, and everybody in the house in bed. At 3.30 a.m., my telephone rang. When I finished the conversation I looked out the

## THE GRIMSBY INDEPENDENT

window and that light was still burning.

I can show you a positive proven case on Nelles Boulevard where a verandah light burned from six o'clock at night until noon the next day. This kind of stuff cannot go on.

Why should the manufacturers and the merchants curtail and curtail like they are? Why should the working man be forced to lay off in the middle of the week and then work Saturdays and Sundays when the ordinary domestic user of electricity will not curtail on power? It should not be, AND IT IS NOT GOING TO BE.

Once Grimsby starts to exceed its quota then this newspaper is going to force the issue that the switches be pulled on the domestic user ONLY and leave the manufacturer and his employees and the merchants and their employees alone. They have done their part. The domestic user has not done his bit, on the whole, so let him take the shot. Unfortunately those domestic users who have done their part will have to take the shot along with those SLACKERS WHO HAVE NOT DONE THEIR PART.

My advice is to be careful or else you are going to see your name and street address on the front page of this paper as being POWER SLACKERS.

It is all right for people to argue that Drew didn't do this, that Hepburn did that, somebody else did something else. That is Democracy. But the fact still remains that Hepburn, Drew, nor anybody else had a thing to do with the low water ebb but THE GREAT MAN ABOVE, and when he decides to let the water come down and fill those rivers and streams and reserve tanks, then you will have all the water you need and all the power that you need.

In the meantime it is up to all God-fearing people, and everybody claims to be that, to make the best of it and keep your name out of the newspaper.

## POOR ECONOMY

I sat for three hours on Saturday afternoon listening to the rabble debate—I said rabble debate—of North Grimsby council. If anything of consequence to the ratepayers of the township was accomplished, then nobody knows it except Township Clerk J. Gordon Metcalfe, and he threw a bombshell into the ring in the closing minutes when he read his resignation to council, as Clerk of the Municipality, to take effect December 31st.

Township council meeting would be a great spot for psychiatrists to come and study. At the end of a three hour session they would leave the Council Chambers just as nutty as the councillors. Nothing would ever come of it. They would never be able to reach a decision. That is just what happens around the council table.

When J. Gordon Metcalfe read his resignation to council the members were more or less aghast (all except Councillor McNiveh, who had left the Chamber to head North to try and shoot deer) because it was like a bombshell being dropped.

At the time that J. Gordon Metcalfe was appointed Clerk and Treasurer of the Township of North Grimsby, succeeding Mr. Thomas Allan, he had previously been Township Assessor for some years and a mighty good one. He was fully qualified to fill the position. He was given the munificent salary of \$900 a year. It did not take him long to find out that it cost him plenty more than \$900 a year to pay hired help to work his own farm while he was doing township business.

Now any man that is smart enough to be Clerk of North Grimsby Township, the finest township in Ontario, is certainly smart enough to earn a whole lot more money than \$900 some place else, even on his own farm.

I just cannot comprehend this so-called economy idea that North Grimsby council, and for that matter Grimsby council, can expect results. Councillors can sit around that table and argue mill rates (but never mention the very, very low assessments) till they are black in the face with an imaginative idea that they are doing a great justice to the ratepayer. As a matter of fact they are doing the ratepayer an injustice, because by trying to employ high class men to fill the responsible municipal positions at peanut wages is an injustice to the taxpayer, and North Grimsby has an exemplification of it right now.

The sooner that the taxpayers of North Grimsby wake up to the fact that this is 1948 and that next year will be 1949. That this is the age of progress. That the farmers over the hill are milking their cows by machine and not by hand. That the fruit growers below the hill are harvesting three times as many peaches to the acre than Harold Woolverton's grandfather did when he first sold commercial peaches, then North Grimsby will start to become what it should be: the best township in any county in the Province of Ontario.

A township Clerk and Treasurer at \$900 a year, in these days of a dollar a pound for steak. Has not the Clerk and Treasurer of North Grimsby just as much right to eat steak at \$1 a pound as Reeve Nelles or any other councillor that sits around that table, or any other taxpayer in the township.

There has to be a change some place, in

the whole township system. Gordon Metcalfe, or whoever else is the township clerk, should have an office right in the heart of the town of Grimsby. He should be paid \$2,500 a year at least. That office would be open for all township ratepayers to go to at all times, according to set office hours, and transact business.

That \$2,500 sounds like a lot of dough for one man. It is a lot of money for one man for one job. But remember this, despite what one member of North Grimsby council will tell you, or try and cram down your throat, that one man, in a properly equipped office can be Clerk and Treasurer of the township, Tax Collector, water rates collector and even the Assessor of the township. Now don't let anybody tell you that one man cannot hold down all those jobs. The Municipal Act does not say that he cannot and I have very authoritative information that the Hon. George Dunbar, Minister of Municipal Affairs, in the Ontario government says that HE CAN.

As matters stand right now there is not an employee of North Grimsby township with the exception of Thomas Mackie, Road Superintendent, at \$1,800 a year, that is being paid anywhere near what they should be paid for the work and the responsibility that they do and have.

Observation shows me that there are men on North Grimsby council that while they have a half an eye on this economy proposition they have an eye and a half on the vote proposition. Who will pay in the end? The taxpayer. Who will benefit? The supposedly economic councillor who has climbed the political ladder at the expense of his fellow man.

North Grimsby is not broke. Far from it. Then let the council hire the best men that they can get and pay the salary that the job calls for.

I know that Mayor Harry Bull is not going to like this statement. I do not think any of his councillors are going to like it, but here it is, "Geoffrey G. Bourne, Clerk and Treasurer, etc., etc., is the most underpaid man in the Province of Ontario to-day, and if the citizens of this town actually knew about the work that man does and the responsibility that he carries a \$1,000 raise would be his in 15 seconds."

## NICELY SAID

For the world at large, and that includes the United States, the birth of a Prince a week ago Sunday at Buckingham Palace, was an event quite out of the ordinary. So states an editorial in The New York Sun, written in most kindly vein:

"The cheering of the big crowd outside Buckingham Palace when it was announced that Princess Elizabeth had given birth to a son, will be echoed throughout the world. Even in lands where kings and princes mean little there will be some measure of rejoicing, since the future Queen and her consort have given the general impression of being extremely nice young folks and the thrills of parenthood know no barriers of class or race. It would be foolish to take the position that this is just another baby, born on the same day, and possibly at the same minute as many others throughout the world. The presently helpless bit of humanity may some day sit on the British throne and thereby become the rallying point for loyalties of peoples of all races and colors throughout the world. Because, before many months elapse, his training for that great future responsibility will begin, the days he spends in his cradle are likely to be the happiest of his life. It will be the wide hope that in them he will gain the strength to fill the duties his position imposes."

Dave Boone, the distinguished columnist of The Sun also comes forward with a most kindly reference, and a tribute to Elizabeth and Philip:

"In a world beset by meanness, hate, hard looks and violence, it's a cheering thing to see pictures of crowds smiling and stirred to the depths by the birth of a baby and a symbol of orderly government and ancient traditions. On the faces in those scenes you see the light that marks humanity at its best, kindled by the elemental instincts of love, reverence and faith. I wish the kid could be trundled through one of those big United Nations debates. I think even Vishinsky might pipe down. Como Monks once wrote some lines to a child beginning: 'Have patience for a little space; you might have come to a worse place.' Looking at the planet today it's hard to name a worse place, but not as hard as it was before Philip and Elizabeth had the blessed event."

## SEASONAL NOTES

Home chores make the whole town kin. But only in winter after a heavy snow, and now in the late fall, do so many householders find themselves doing exactly the same chores at the same time and in such friendly proximity to each other.

A big snowfall calls nearly everyone into the street to clear paths as soon as it stops.

So, too, the last leaves by neighbors out together and make them friends.

Somehow late afternoon when dusk is just deep enough to set off a glow of leaf fires but not too deep to hide most people recognition at 50 feet up those leaves. Just the right time to be a leaf fire in some short streets here, and their keepers for all but one or two or five abreast, in ers will stand three or four abreast along open formation, as your

They are a happy behind stern visages. They are the ones

"Whizzer" Kanmacher carrying an umbrella big enough to cover a French-Canadian family.

For the first time in five months there was a flow of water down the Old Forty on Saturday. Then people wonder why Hydro is short on juice.

"For the hand that rocks the cradle is the hand that rules the world," the poet once wrote. From the cradle to the Throne is the thought of Britons right now.

The Old Street is pretty quiet at night, particularly Saturday nights. Apparently the lads and their lassies that like to whoop it up have realized that law and order must prevail without having to suffer severe consequences in order to make it prevail.

The political pot is beginning to boil. Principally among some of the members of the present town and township councils. It couldn't be that they are just trying to find out where they stand with those people who put the little crosses on the ballot paper. Mr. and Mrs. John Q. Public.

Observation shows this columnist that D. Elliott "Watts" Anderson, James Ithamer "Kilowatt" Theal and Mayor Harry "Amperes" Bull, are doing a lot of head scratching over this Hydro situation. Five will get you ten that there are no slivers in the fingers. I think that Grimsby has one of the best local Hydro Commissions to be found anywhere in Ontario. Keep the two bits, gents.

After many years of research among fishermen and deer hunters, I have found an honest man. He is Reeve Mac Nelles of North Grimsby. After 10 days of tramping through the northern bushland he openly admits that he never shot a deer and in fact never laid eyes on one until he was motoring home and then a deer ran across the highway in front of his car, about 100 yards away. Mac is at least truthful.

In this power crisis all kinds of rumours arise. Here is one rumour that is absolutely without foundation. Gordon Hannah is NOT going to try and re-drill the old well on The Village Inn property that was sunk 38 years ago by the late John Hewitt in an effort to get natural gas. Mr. Hewitt did get gas seepages but he got more salt water than gas. Who ever started that rumour that Hannah was going to re-drill that well in order to get natural gas with which to light and heat the Inn has no more idea of the actual situation surrounding the well than my bull pup (which I still haven't got) knows about baking biscuits.

should come before pleasure, and so are trying hard not to enjoy their duty too much.

## "WALKING JOE"

Woodstock issues a human interest story. It relates to "Walking Joe," annual autumn applicant, via the police court, for winter residence in the county jail. It is an example of socialism in our day, through the popular courts.

Joe appeared one day last week, as he has for years, and on the usual charge of vagrancy. He was given five months. In good weather he has lived in an automobile body near Thamesford but, like the bear, he has to seek hibernation quarters, which are available at Oxford County expense. But Joe works for his keep too. He is handy around the jail.

It might be called socialism, or communism which, by the definition of the "Red Dean," is equality of man according to his needs. Well, Joe needs a roof, warmth and food, for the winter, and Oxford County practices what might be termed paternal communism. In case of illness Joe will get State medicine, too. Should he die, he will receive also a State funeral. And, above all, from the kindness received from the bench to discharge five months hence, the guest of Oxford County will be nicely treated.

How many other Ontario counties have similar "Walking Joe" problems?

## A FINE GESTURE

On his recent visit to Toronto, Lord Mountbatten discovered that two plainclothesmen were on guard in the corridor outside his suite in the Royal York Hotel. In pyjamas and bare feet he went to the door and asked the cops if they were on duty all night. They said they were. "Well," said Mountbatten, "there's no use you staying outside. Come into the sitting room and make yourselves comfortable." With the guards in easy chairs, he invited them to help themselves to a basket of fruit which was on the table, wished them a cheery good night and went to bed. —Financial Post.

Thurs., November 25, 1948.

Ho, hum! The fellow who has a pull is usually the one who doesn't have to brag about having one.

## FAIR IN BIBLE TIMES

The first direct reference to fairs in the Bible is in Ezekiel. It tells of the famous fairs of Tyre which, by the time of the Prophet, were highly organized and had existed for centuries.

The largest fair held in Biblical times, recorded in Esther, was that under King Ahasuerus. It lasted 150 days. King Ahasuerus reigned over the joint Empire of Media and Persia, the Kingdom extending even to Ethiopia—127 provinces in all.

At this fair—established under his order—there were shown "the riches of his glorious kingdom," products from every one of his 127 provinces.

The oldest County fair in Canada, or for that matter in all North America, was held at Windsor, Nova Scotia, in 1765 under Royal Charter. It has been held every year since.

You can tell the experienced politician. He is the one who never makes a promise to a voter in writing.

**THE MIXING BOWL**  
BY Anne Allan  
HYDRO HOME ECONOMIST

Hello Homemakers! There are more single gloves around our house than pairs of gloves. Of course, four women each losing one glove every so often demonstrates extravagance. However, we are making novel bazaar and Christmas gifts with these, and it's like money in a piggy bank. Here are the ideas: (1) Cut a two inch band from a wide cuff to make one arm band for lady's blouse. Line it with red satin and put elastic through to make it look like the one they sell in U.S.A. for \$5.95.

(2) Lapel novelties may be fashioned from leather gloves into miniature dolls, animals, and rugby balls or other favorite sporting goods. Stuff with cotton batting or use pinkish shears for the double flat ones.

(3) Pin cushions.  
(4) Bean bags.  
(5) Christmas tree trimmings.  
(6) Belt buckles.  
(7) Corners for desk pads and calendars.

For those who haven't any odd gloves to make into novel gifts, perhaps there are odd pieces of fabric that can be made into modern accessories. At a recent fashion show we saw a smart belt pieced together with velvet and serge in 3-inch rectangles and white sequins sewn on domino patterns.

Using the back of a summer pullover, a dicker can be made for a winter suit. For warmth, use two thicknesses of material and quilt it.

Hoods are still popular and can be made from short wool skirts or from upholstery end material. Stitch an interlining close or use a top stitching after the cap has been sewn and turned right side out since the edge of the hood may curl back.

To make slippers from an old felt hat is not difficult. Cut the hat up the back to the crown, steam, press flat and scrub with a brush dipped in soap suds. Then use a pattern for best results or buy insoles that can be sewn.

From top to toe there are ideas for using out-dated materials in modern yet practical gifts.

## COOKING HINTS TO SAVE ELECTRICITY

1. Use canned cream soups for sauces often. Never let them boil... only heat hot enough to eat.

2. Blend flour into meat juices, then add hot water to make the best brown gravy quickly.

3. A layer cake may be baked in 35 minutes at 375 degrees, while the same batter in a square tin requires 55 minutes at 350 degrees.

4. Bake a meat loaf mixture in muffin tins for even servings and it cooks quickly this way.

5. Scalloped potatoes made with a hot cream sauce require only half the baking time.

6. Shred cabbage, turnips and beets on a slicer and using a small amount of water, cook the vegetables in fifteen or twenty minutes depending upon the amount.

7. Pastry turnovers are more quickly baked than heavy fruit pies and baked on a jelly roll pan require 20 minutes, at 400 degrees.

8. Use a pint measure to fill your tea kettle and heat only the required amount of water for tea. (There are commercial powders available at your electrical dealers which should be used to remove lime from your tea kettle.)

9. To hard cook eggs, wash them and put in the potato kettle for exactly 10 minutes. This saves turning on an extra electric element.

10. The pressure cooker may be used to cook a number of different foods in the same pan. Make full use of this quick cooking utensil. Watch the clock to prevent overcooking.

## REQUESTED RECIPES

**Welsh Rarebit**  
2 tbs. butter, 1 tsp. cornstarch, 1 cup rich milk or cream, ¼ tsp. salt, few grains of pepper, dash of paprika, 2 cups mild Cheddar cheese (grated), 1 egg (slightly beaten).

Melt butter in top of double boiler. Add cornstarch and mix until smooth. Add milk gradually. Cook over hot water, stirring constantly until mixture thickens. Add salt, pepper and paprika. Add cheese and stir until melted. Add some of the hot mixture to the beaten egg and return to mixture in the double boiler. Cook for 2 minutes, serve at once on toast or crackers. Garnish with olives or parsley. Yield: 6 servings.

## Hot Slaw

½ cabbage (shredded), 2 egg yolks (slightly beaten), ¼ cup cold water, 1 tsp. butter, ¼ cup hot vinegar, ¼ tsp. salt.  
Mix egg yolks, cold water, butter, vinegar and salt. Cook over hot water, stirring constantly, until thickened. Add cabbage. Reheat.

Ho, hum! Too many soft touches make a man get hard.

## COLOR FRAMES FOR THE EYES

New eyeglass fashions come to the notice often lately, and a sort of rainbow for your own surprise is the news for this model photograph. Frames themselves are heavy enough to be smart in the modern manner; the individual trick is the line of color under the bows, and topping each frame; they come with a box of thin plastic strips in a great variety of colors, and which you slip into slots in the natural color frames to get a color which suits you or your ensemble. We chose to have this photograph made with the glasses decked in gold plastic strips.—Chameleon Frames.

## Announcement

The ambulance service operated by J. W. Buck and Son, operating in the service of the people from the Grimsby-Beamsville district, has been taken over by George Upper, of Beamsville.

After a quarter century of service, J. W. Buck and Son wish to convey their sincere gratitude to people they have served, and in turning over this department of their business, recommend the transfer of their patronage to Mr. Upper. A splendidly-equipped car has been put into service as an ambulance for the people of the entire district.

### MOVEMENT TO FORM

to inspire respect for law, to promote patriotism and work for international accord and friendship among all people.

To aid and encourage the development of youth through the world.

The Optimist Creed is:

To be so strong that nothing can disturb your peace of mind.

To talk health, happiness and prosperity to every person you meet.

To make all your friends feel that there is something in them.

To look at the sunny side of everything and make your optimism come true.

To think only of the best, to work only for the best and expect only the best.

To be just as enthusiastic about the success of others as you are about your own.

To forget the mistakes of the past and press on to the greater achievements of the future.

To wear a cheerful countenance at all times and give every living creature you meet a smile.

To give so much time to the improvement of yourself that you have no time to criticize others.

To be too large for worry, too noble for anger, too strong for fear and too happy to permit the presence of trouble.

To give so much time to the improvement of yourself that you have no time to criticize others.

To be too large for worry, too noble for anger, too strong for fear and too happy to permit the presence of trouble.

To give so much time to the improvement of yourself that you have no time to criticize others.

of the campaign of the St. John Ambulance Appeal was received by council.

### GRIMSBY STILL

few occasions such as this, and we may find ourselves confronted with some switch pulling. It's that close. So we must keep wary eye out for unnecessary use of hydro.

The dailies could save a lot of power if they would forget about placing the blame for the current hydro shortage. As we stressed before someone or something is at fault. Perhaps Hove's charges are accurate. Possibly Mr. Drew's statements are quite correct. Maybe Mitch Hepburn is the fall guy, and should have taken up onion growing as a steady career. Perhaps it is a simple feat of nature that is defeating our cause. But one thing certain, continued verbal blasts in the daily press will accomplish nothing. They may make good reading, but who can read if your power is off. The situation is grave, and will be until such time as new generating plants are in operation. We have but one course of action—that is to conserve every lot of power we can. When more light can be thrown on the subject, then perhaps we can find the time to investigate the cause of our inconvenience.

While our streets and homes are not exactly flooded with light, we here in Grimsby most definitely can sympathize with our Beamsville neighbors. With two one hour cuts Monday through Friday, Beamsville residents are being inconvenienced considerably. There is just one answer for this unhappy situation. It is not that the people who are the domestic users have failed to unite and save power in any lesser degree than have the residents of Grimsby. All have sacrificed. The answer is simply in the power users, of which Grimsby have a greater number.

The power users have co-operated in such grand fashion, and as a result the quota has been met. In Beamsville the domestic users consume some eighty per cent of the quota—it is a near impossibility to expect them to meet the quota without the added help gained from the power users.

**WOULD MAKE CAPITAL** question of reasonable capital grants to all public hospitals in the county if they are definitely proceeding with building projects.

The action was taken at the recommendation of the Finance Committee, under the chairmanship of Reeve L. J. Hoare of Merritt, when requests for grants to the Niagara Cottage Hospital and the Hotel Dieu Hospital in St. Catharines came up for consideration. Both requests were deferred for the consideration of the next year's council. A request from the Bellevue Convalescent Hospital in St. Catharines for an increase in the per diem rate from \$3 to \$3.50 was deferred to the December session.

Acting on the recommendation of Alcoholics Anonymous, the council yesterday requested the return of the sum of \$200, a grant made to a former officer of the group supposedly on behalf of the group. The officers drew the attention of council to the fact that such grants were not acceptable. The fund is now held in trust by the former officer. If and when the refund is made, a grant of \$200 will be made by council to the St. John Ambulance Appeal campaign.

During the sessions of the finance committee, the council approved fire insurance coverage of \$495,125 at an approximate three-year rate of 4.19338, subject to the approval of the city of St. Catharines in connection with the court house, registry office and gaol, building and contents.

The council also approved the finance sub-committee's report regarding automobile, casualty and boiler insurance but recommended that the matter of boiler insurance be studied again with a view to reduction of coverage.

Deputy-Reeve Robert G. Dawson of Niagara Township presented the monthly report of the Industrial Home Board of Management to council. Two by-laws were also passed during the closing stages of the sessions, one to raise the sum of \$100,000 to assist in meeting current expenditures pending the collection of taxes and the other to adjust the salary of the caretaker of the court house.

**TOWNSHIP COUNCIL** properly look after with all the other municipal business that they have to take care of. He wants a Water Commission set up the same as Grimsby has and that body would have nothing else to do but look after the systems insofar as township business was concerned.

Dr. D. V. Currey of The Lincoln Health Unit appeared before council and requested that a bylaw be passed regarding the construction of septic tanks in the township. Under this bylaw all tanks would have to be constructed to certain specifications as laid down in the bylaw and a permit for constructing same would have to be procured from the building inspector.

#### ROBERTSON—KONKLE

The wedding took place in St. Andrew's Church, Grimsby, on November the 13th, by the Reverend E. A. Brooks, of Alma Jean, second daughter of Mr. and Mrs. Wm. Konkle, of Beamsville, to Geo. Sidney Robertson, of Grimsby. The bride was attractive in an ivory satin gown with a sweetheart headpiece and floor-length veil. She carried a bouquet of red roses.

Miss Irene Konkle was bridesmaid, gowned in pink net satin, headpiece to match and carried a bouquet of yellow chrysanthemums. Miss Helen Konkle, maid of honor, was similarly gowned in blue and carried pink chrysanthemums.

The bride's mother received in a flowered Jersey dress with a corsage of pink roses. The groom's mother was gowned in a black net dress with blue accessories and a corsage of carnations and roses.

Over a hundred guests were present.

Later the bride and groom motored to Buffalo, N.Y. The young couple will reside in Grimsby.

Out of town guests attended from Beamsville, Hamilton, Orangeville, Toronto, St. Catharines and Dunnville.

### FARM FORUM NEWS

Woolverton Road Forum met at the home of Mr. and Mrs. Walter Gibson with a good attendance. As this was review night Mr. Spencer Merritt and Mrs. John Bowlsby had charge of the entertainment.

Convenor for our next entertainment night will be Mrs. Reg. Walker and Wm. Morrison.

Our next meeting will be held on Nov. 29th, at the home of Mr. and Mrs. Spencer Merritt. The topic will be "I See By The Paper."

### MRS. AITKEN DELIGHTED LARGE LADY AUDIENCE

Mrs. Florence Baisley entertained the ladies with popular piano selections in the High School Auditorium on Monday afternoon prior to Mrs. Kate Aitken's address. Mrs. Russell Terry was chairlady for the afternoon and Mrs. Carmen Millyard introduced the speaker.

Mrs. Aitken delighted her audience from the start to the finish of her talk by telling of her experiences. She is going on a round-the-world trip during January, which will take seventeen days en route, at the request of the British ministry to see how the women in different sections of the country are living.

Mrs. Aitken told about persuading two news-reel photographers to take her along with them on a trip over Spain in 1935 and this resulted in her first sight of war. There were over one hundred planes in the air at once, a lot for 1935, over Madrid and, as her aerial companions took pictures, she witnessed the slaughter.

In 1943 she was present in Berlin and heard Hitler deliver one of his famous speeches at midnight from the Kremlin. So realistic was Mrs. Aitken's description of the colorful pageantry leading up to this event, anyone in the audience could imagine themselves to be present. She stated that the German people may feel down and out right now, but they would bear watching as they possess great cleverness, shrewdness, thrift, etc., and are still sufficiently glib to be led by another dictator, should the provocation arise.

In 1945 the British Government sent her to Europe to cover twelve countries and she flew over German agricultural territory piloted by two young Russian fliers. She stated that there was just no "meeting ground" with them and it was as if there was an iron curtain between them. The Russians consider that the English are much too easy-going and the young pilots claimed we are in the middle of World War III right now and do not realize it. The sweep of Communism over the country means that we lose our God and the most potent power in the world to-day, Prayer, which is the very one we neglect the most. If we all worked at the same rate to preserve peace as we did to win the war, then wars would be over forever.

Mrs. Aitken complimented the Canadian women on their tremendous response when she appeals in her radio broadcasts for Boxes to Britain.

Mrs. L. A. Griffith fittingly thanked Mrs. Aitken for her most inspirational and humorous address and Mrs. Russell Terry on behalf of the Club, represented the speaker with a beautiful sheaf of mums.

### I.O.D.E.

The regular monthly meeting of Lincoln Loyalist Chapter, I.O.D.E., will be held in the High School Auditorium on Monday afternoon, November 29th, at 3 p.m.

### LITTLE BLUE BELLS MAKE PRESENTATION

Last Thursday evening, Nov. 18, a very enjoyable evening was spent when the Pioneers of Hamilton District, met in the Rest Rooms of the Bell Telephone Office, Grimsby, to honour Mrs. Hattie Waites, who has completed thirty years service with this Company. Approximately twenty guests were present from Hamilton, Toronto, Port Dalhousie, St. Catharines, Beamsville and Peterboro.

The evening was spent playing cards, prizes being won by Miss Hazel Seaman, Port Dalhousie, Miss Ruby Scott, Grimsby, Mr. Reg Phillips, Hamilton, and Mr. E. Le Patourel, Hamilton.

Presented at this time with her Life Membership Certificate in the Pioneer by Mrs. Hodges of Port Dalhousie, vice-chairman of the Champlain Council, Mrs. Waites at a previous date had been presented with the President's Wallet by Mr. F. R. Lindsay, District Traffic Superintendent of Hamilton.

Mrs. Waites was also presented with two colourful bouquets of Mums, one by Mrs. Garner, from another Life Member, Mrs. Johnson of Port Dalhousie, with the message "one life member to another." More best wishes from the Pioneers were expressed by Mr. N. L. Kilpatrick from Toronto, Chairman of the Champlain Council. Also present was Mr. E. Le Patourel, one time manager of the office in Grimsby, who expressed his best wishes to Mrs. Waites, also remarking it was unusual in that he had been the person to hire Mrs. Waites and also be present when she retired thirty years later.

At the close of the evening a dainty lunch was served by Miss Jean Cochrane of Hamilton and her committee.

Some time ago a party was held for Mrs. Waites by her fellow employees at which time she was presented with a musical powder box.

At the dinner meeting of Grimsby Lions Club last week a large number of members of the Grimsby and District Red Cross were in attendance, guests of the Lions. On this occasion four lady members of the local organization were presented with Badges of Service for the fine work that they have done during the past seven years. Shown here from left to right are Miss Ann Crane, Dr. Routley, of the Canadian Red Cross, who made the presentation, Mrs. R. N. Wolfenden and Mrs. Claude A. Boden. The fourth lady to be honored, Mrs. John L. Chambers, was unable to be present owing to a bereavement in the family.

## BAPTIST ANNIVERSARY SERVICES ON SUNDAY

The Baptist Church, Grimsby, will recognize the 72nd Anniversary of its organization in 1876, by special services both morning and evening next Sunday, November 28th.

The guest speaker will be Rev. J. B. McLaurin, D.D., General Secretary of the Canadian Baptist Foreign Missionary Society.

Dr. McLaurin, who was born in India is of the second generation of a missionary family and his father and mother Rev. J. B. McLaurin, D.D., Sr., and Mrs. McLaurin, and his uncle and aunt, Rev. A. V. Timpany and Mrs. Timpany were the first foreign missionaries to go out from the Baptist Convention of Ontario and Quebec.

His entire family, Dr. McLaurin and two sisters, Miss Kate McLaurin and Mrs. Gordon Jury, are all foreign missionaries. Miss McLaurin spent her whole life in India and is now living in honored retirement in Toronto, and Mrs. Jury and her husband, Gordon S. Jury, M.D., were missionaries in Burma and were among the missionaries who remained in the country at great personal risk when their country was invaded by the enemy in the last world war.

Dr. McLaurin was principal of the Canadian Baptist Theological School in India for some years until he was called back to Canada to assume his present position.

In this he directs the activities of the Canadian Baptist Foreign Mission Board, both in India and Bolivia including 161 churches with 35,604 members served by 29 missionary families and 46 single lady missionaries. And in addition a staff of National ministers, pastors, evangelists, colporteurs, bible women, christian teachers, both men and women, doctors, medical workers, graduate nurses and nurses-in-training amounting to over 1200 persons. 22,229 students in village boarding, high schools and colleges and hospital and clinic staffs that last year treated 50,380 patients, giving 120,434 treatments during the year.

But in spite of all this he answers many calls for special addresses for both denominational and interdenominational organizations. He is a great orator and has a unique manner of presenting and impressing truths and is in great demand because of this for such occasions.

That is why about a year ago he was asked to give a nation wide address over the radio for a special anniversary of the Bible Society which address was doubly reported to a number of citizens of Grimsby.

## Engagement

Mr. and Mrs. Henry Bauer, Winona, announce the engagement of their daughter, Hertha, to Mr. James Henderson, son of Mr. and Mrs. Andrew Henderson, Grimsby. Wedding to take place Dec. 4th, at 4 o'clock in St. Paul's Lutheran Church, Hughson St., Hamilton.

## ADVENT SUNDAY

Anglican men and boys throughout Canada and the United States will observe Advent Sunday, Nov. 28th, with a continent-wide Corporate Communion. The service at St. Andrew's Church will be at 8:30 a.m. with breakfast afterwards in the Parish Hall. Arrangements for breakfast are in charge of the Men's Service Club of the Church. During the breakfast hour there will be opportunity to listen to the Radio broadcast of the Bishop of Niagara, Rt. Rev. L. W. B. Broughall at 9:30 over station C.K.O.C., Hamilton.

## SPECIAL MUSIC FOR BAPTIST ANNIVERSARY

There will be special music in connection with the 72nd anniversary of the Baptist Church next Sunday at both services.

This music will be provided both by the choir of the church and by visiting vocal artists. These will be Mrs. VanDyke, soprano from Beamsville and the Trinity Baptist Quartet, Messrs. Malling, Clarke, Holrod and Goodwin from Hamilton. The services of these visiting musicians and our own choir will add greatly to the celebration of this happy occasion.

## Women's Institute

At the November meeting of the W.I., held in the Legion club room, members answered roll call with a well tried recipe.

Cheques were forwarded to the V.O.N. and the Niagara Sanatorium. Mrs. William Leyton reported on the area convention, recently held in Hamilton.

Members sold over \$100 worth of Christmas cards, the sale exceeding expectations. This week members are canvassing for funds for St. John Ambulance.

In the penny contest carried on over the last six months, Mrs. L. E. Larsen's team won. Mrs. F. J. Burton's team, the losers, will provide a banquet for the winners at the December meeting.

Mrs. Sarah Murphy and Mrs. S. Stuart served lunch.

## St. John's W.M.S.

The Thankoffering service of the Women's Missionary Society of St. John's Presbyterian Church was held in the church on Thursday the 18th of November, with Miss Annie Ritchie, the Presbyterian president, of Hamilton, as guest speaker.

Miss Ritchie kindly substituted for Mrs. Moore Gordon who was unable to be present on account of illness.

The meeting was opened with a prayer by the president, Mrs. W. E. Burke, and the singing of a hymn.

Miss Ritchie took as her subject, "Jesus, the Good Shepherd," with many quotations of scripture to keep the topic in the minds of her hearers. It was a message that brought comfort and strength to those present.

At the close of her talk the speaker was suitably thanked by Mrs. W. H. Morris.

The scripture lesson was taken from the 26th chapter of Deuteronomy, and a beautiful solo was sung by Mrs. L. E. Johnston. After the offering, Rev. J. P. McLeod closed the service with prayer, and the members adjourned to the basement where a nice lunch was served by the social committee, and a pleasant half hour was spent.

## CHURCH OF ST. GEORGE

A big Bazaar was held in the Ukrainian Orthodox Church Hall on the nights of November 18th, 19th and 20th with many people attending. The biggest attendance was on Saturday, November 20th, being the night of the final draw.

The purpose of the Bazaar was to raise funds for the upkeep of the church. The members of St. George's Church and many friends from various churches of this district responded wonderfully and really helped to make this year's Bazaar a great success.

Prizes totalling \$100 were drawn for and the following were lucky holders of Prize Winning tickets.

1. Fred Hrynchuk, R.R. 2, St. Catharines, Ticket No. 132.
2. Carl Spytkowski, Beamsville, Ticket No. 426.
3. Norman Gadsby, Grimsby Beach, Ticket No. 3376.
4. Henry Cheronak, Grassie, Ticket No. 3031.
5. M. Hudak, Grimsby, Ticket No. 782.
6. J. Hryniewicz, Beamsville, No. 134.

The Rector, Rev. W. Fedak, and the Board of Trustees of St. George's Church wish to extend sincere thanks to all those who donated and participated in this important church event.

## W.C.T.U.

The Grimsby W.C.T.U. will meet Tuesday, November 30th, in the Baptist Church, at 2:30 o'clock.

Three distinguished officers from St. Catharines and Hamilton will visit the Union. Everybody welcome to come and hear the message they bring, and to meet them at tea time.

## Trinity W.M.S.

The W.M.S. of Trinity United Church held their regular monthly meeting in the Baptist Church Hall last Tuesday afternoon.

Mrs. John Millar, President, conducted the meeting, leading in the worship service, assisted by Mrs. Seth Reid and Mrs. Sarah Murphy.

A letter of appreciation was received from Relief to China headquarters in Toronto, thanking its group for articles of knitting sent in. The ladies are requested to bring in any other articles of knitting or sewing to the December meeting.

Plans were discussed for getting Miss Edith Sparling, missionary on furlough from China, to speak at a Sunday evening service in the church in February.

Appreciation was expressed of the excellent work of Miss Beulah Marsh and Miss Eva Fleming as Mission Band leaders. Mrs. J. J. H. Taylor and Mrs. S. Merritt were appointed to undertake to get Mission Board leaders for the new year.

The present executive was elected to remain in office for the coming year, with the addition of Mrs. McClure who was elected Vice-President to fill a vacancy on the executive.

Mrs. Griffith gave us a most interesting story of "Women with a New Look," as applied to the women of China. She described their emancipation, contrasting in a most interesting way, their life of freedom and opportunity, with the very different life they led fifty years ago.

Thank goodness for a free country. A man can use his initials when he doesn't like his given name.

## ST. ANDREW'S CHURCH

Next Sunday at St. Andrew's Church will be marked by a change in the hour of evening service from 7 p.m. to 4 p.m. The Service will be fully choral and will finish by 5 o'clock in time for tea or late dinner as the case may be. Service at this hour which has worked well in Churches where it is being tried carries with it the suggestion that it be treated as the devotional evening act to be followed by whatever family or friendly association for which Sunday provides such a good time for so many people—thus God would not be forgotten, and social intercourse would be given a new dimension.

"The happy families are the Church-going families."

## ILLUSTRATED LECTURE

Archdeacon E. S. Reed of Gaspe gave an illustrated lecture last Monday night in the Parish Hall on the work of the Church in the eastern part of the Diocese of Quebec. The moving pictures which were used had been taken by Archbishop Philip Carrington of Quebec and were well worth seeing. The Rector of the Church in introducing the speaker mentioned the fact that St. Andrew's Church was originally in the Diocese of Quebec and had been visited by Bishops Mountain and Stewart, the latter being the consecrator of the Church. Archdeacon G. F. Scovell closed the meeting with the benediction.

## CARD OF THANKS

Harold and Myrtle White wish to extend their sincere thanks to all their friends for their many kindnesses, their cards and flowers; and also to those who so kindly donated blood.

I wish to sincerely thank all those who so kindly donated to a fund to help replace the loss suffered by fire, which destroyed my home recently, especially those who collected the donations.

Frank Peelar.

What the world needs is a place as attractive after you get there as the travel literature describes it before hand.

**SPORTS****PEACH KINGS ARE TERRIFIC  
IN WIN OVER ST. CATHARINES**

Definitely listed as the underdog for their first league game in Senior "B" competition, the Peach Kings took on the St. Catharines Masons on foreign ice, and after sixty minutes of exciting hockey, the locals emerged victors, winning by a three to one count.

With a scant training period behind them, Pop McVicar's crew gave the Masons all they could handle, with a little extra thrown in, and although both goalies were outstanding, the Kings outplayed the better conditioned Garden City crew, and it was Clements in their nets that saved them from quite a severe lacing.

The game can definitely be listed as a goaltenders duel, and we believe that the factor that gave local fans their biggest thrill was to see Denny Leeson in the Kings nets make some most spectacular saves. Leeson is the first goalie we have had in over a decade.

McVicar has lined up as smart a bunch of hockey players as you will see around to-day in amateur ranks. There is still a lot of work to do with the lines, but even in this opener, the passing plays were slightly terrific, and when the timing angle is worked out through practice, we shall certainly have a team that should hold its own in this league.

Enthusiasm as everyone was about the outcome of this game, it is not a good move to predict freely of the future. There are five other teams in this loop that we know little or nothing about. But one thing certain there is not a team of the five that will walk away from any contest with the Kings without knowing that they have played a lot of hockey.

**First Period**  
The first period was the most interesting of the three. Contrary to predictions, the Kings seemed to improve as the game moved on. A lot of fans were somewhat surprised to see a familiar figure dressed in the opposition's colors. Fran, or Bob Craig as he is known in St. Catharines, just can't give up the game, even though is war-injured legs give him plenty of trouble. And wouldn't you know it would be the blonde bombshell that put the Masons in the lead at the eight minute mark of the first period. Bunn Glas was serving a cross checking penalty at the time. Craig just got his stick on the rubber as it came out from the side, and Leeson never had a chance.

Warner got the best scoring opportunity for the Kings in the first period, but living up to his reputation, Normie drove the rubber right at the pads of Clements.

Late in the period, Alex Aitken and Warner were both off, and three Kings successfully held off the weak power attack thrown at them by the Masons. Kings outshot Masons in the first period, but were trailing one to nothing at the bell.

**Second Period**  
The Peaches predominated the

play throughout the second period, and Alex Clements in the nets for the Masons was spectacular as he stopped rubber from all angles. Warner missed a couple of great scoring opportunities, while the Kings defense looked plenty good. Jack Clancy and Pud Reid were both outstanding in this period. Welch and Hughie Barlow served minor penalties, but the feature of the twenty minutes was the work of Clements, with Leeson also called on for some great work in the nets.

**Third Period**  
The best goal of the night, the one the Kings had to work forty-two minutes for, came from Barry Blanchard, who looked better than on most occasions all last season. The Rocket worked his way in with Duffield, and when Clements made a move to cover the seemingly probable passout to Duffield, Blanchard flicked the rubber through a six inch opening. It was a real lulu of a goal, and put the Kings right back in the ball game.

Following a five minute lapse, during which the Masons hemmed the locals in their own end, and at which time Leeson came up with some terrific work, the Kings came back with the goal that put them in the lead for the first time. Hard working Bunn Glas took Sunny Dunham's pass and fooled Clements with a hard shot that never left the ice. The period was then three quarters completed.

A regular donnybrook broke out shortly after this goal, when red headed Alex Aitken and Joe Welch, Mason defenseman, tangled. A per usual the peacemakers failed to restore law and order, and referee Presti handed out four major penalties. Aitken, Clancy for the Kings, Nelson and Welch for Masons.

Playing three men apiece, Pud Reid had a solo break, and missed the net entirely. Eric Adamson, the best for the Masons, was felled by Leeson, on a solo effort. Clement outguessed Russ Hann, as he went in alone, but with twenty-five seconds remaining, Hughie Barlow cruised over the centre stripe, took a perfect pass from Duffy Duffield and made Clements move before sinking the rubber in the bottom right corner. It seemed a perfect climax to the game, as Warner drifted in on Clements and again drilled the rubber right into his pads.

The line-ups:  
Peach Kings: Goal, Leeson; defense, Hann, Reid; centre, Dunham; L.W. Glas; R.W. Hutchison; Subs, Barlow, Soutar, Hoyle, Duffield, Warner, Blanchard, Aitken, Clancy, Welbourn.  
St. Catharines: Goal, Clements; defense, Crocker, Welch; centre, Adamson; wings, Fauteaux and Nelson. Subs: Craig, Hookiga, Frick, Croft, Whitel, Anderson, Atkinson, Katzman.

It didn't cost as much to live in the old days. To own an auto wasn't considered one of the necessities of life.

**MOTHER 248 POUNDS  
BABY 17½ POUNDS**

—Central Press Canadian  
The vital statistics of Conway, Ark., were given a bulky boost when Mrs. Iza Z. Hackler, who weighs 248 pounds, gave birth to this bouncing baby boy who tips the beam at 17½ pounds. Other strange figures go on the records. Elmer Paul, the baby in question is 34 inches long. The father, Iza Hackler, is a brickmason . . . 63 years old. It might be added that Dr. George Harrod, the country doctor who brought Elmer into the world, was 79 years of age.

## SPORTOLOGY

(By Bones Livingston, Sportologist)

**THAT WILD NIGHT RIDE**—You have all heard tell of a gu named Paul Revere, who according to history books rode a horse across the whole New England states to warn the settlers that the Red Coats were coming. I always figured that the Yanks of those day a little bit askeered of those Red Coats, just the same as Joe Stalin and story other than that HAROLD B-A-FORD HARRIS, Prexy of the PEACH KINGS duplicated the feat and my honorable friend THROCKY MORTON NEVERSAYDIE JARVIS had to be born again.

You see, folks, it happened this way. The PEACH KINGS are going to Welland to play their arch-enemies the Crowland macanni car and all the equipment. He was going to ride with the PREXY. Unfortunately the PREXY was just a little bit off Greenwich Time in showing up at SMITH'S RESTAURANT. When he did arrive, THROCKY was down to his ankles and JIMMY LAWRIE and his son had to put a new piece of sidewalk in the next day (up goes the tax rate).

THROCKY was riding on his last nerve. The PREXY was as cool as a Monarch always is, and he remarked "Don't worry, boy, I'll have you there." "It's half past seven now," says THROCKY. "Don't worry, I'll have you there on time." Just 25 minutes to eight when SMITHY Monarch hit the top of the hill and away we go. From the time distance THROCKY was tongue-tied. At exactly eight o'clock the PREXY was in front of the new Welland Arena. THROCKY rolled out of the car and hollered for a doctor. Medico MIKE SWEET came on the lam and soon everything was lovely, including a tie game. Just for on that ride. Just so long as they make Monarch cars then just so long such rides can happen.

**THESE BLEAK, NOVEMBER DAYS**—There have been exciting things going on at THE BOWLAWAY. For instance, RED GRAHAM, after three years of coaching young bowlers decided to take a crack at the game himself. He had a lot of nerve. He took on JIM SHACKLETON. Lo and behold, he best JIM three games. He was riding high. He had a high score of 148. Then JIM, just to be generous, offered to bowl RED left handed and he whaled the ears off him. In fact JAMES had three strikes and a spare throwing them from the port side. Next on the menu came that 1408 game of the ROCKETS team. That is the highest team score ever made on the local alleys. It was in the third game that this feat took place. They won the first game from the MONARCHS, dropped the second by four points and then went loco. I cannot tell you the members of that team because the way LIMEY sends down the score sheets they are all JACKS. JOES, JAKES and what have you. Anyway here are the individual scores that made up that 1408: HAM, 312, (where's bacon); RALPH, 255; JERRY, 253; FRED, 230; TERRY, 358. ROCKETS' total score for the three games was 3,545, as against the MONARCHS' 2952. LIMEY this column cannot give you and the boys the publicity that they deserve. . . . I also wish that the secretary of the PEACH QUEENS would send in the score sheets for observation as well as the game sheet that is now coming in, right on time, which is more than I can say for the MEN'S league. All score sheets are saved and returned to the secretaries. . . . LITTLE WHIZZER KANMACHER has fell off the throne. 10 days ago he was away in the clouds with a 228 average. The tumble that he took the other night was worse than the one that Humpty-Dumpty took when he fell off the wall. What's the matter, WHIZ? Get that headpin bowl tangled up with the cue ball. . . . Hockey season hasn't really got started, yet, THROCKMORTON INSUREANYTHING JARVIS has the jitters. THE INDEPENDENT is all set for a hard winter. We ordered four gallons of oil the other day just to keep the hinges on the front door oiled up, from THROCKY opening and shutting it so much. Don't mind telling you that the cement floor is starting to get threadbare. . . . Have not even had a glimpse into the ARENA yet this year, but my information is to the effect that GEORGE MARR has everything in lovely shape. Pipes are in great condition and GEORGE and his gang have thrown a lot of paint around, but in the right spots. . . . Back to bowling again. What has become of GAS RAHN and his gangsters? Just another reason why we need the score sheets. . . . After harvesting two and a half trainloads of peaches MERT ZIMMERMAN and his cobcorn pipe are back on the job, 10 hours a day, at THE BOWLAWAY. Take peaches and the bowling balls away from ZIM and he is ready to fold up. . . .

### LIONS MIDGET LEAGUE WILL FUNCTION AGAIN

The Grimsby Lions Club are again planning on operating the popular Lions Midget Hockey League this winter, and again Lion Willson Nelles has undertaken to line up over a hundred boys from local schools, and get the league in operation by the first of the year. The Boys' and Girls' Committee of the Lions at a recent meeting decided to limit the entrants to boys from local schools, although some other boys may be taken in if there is room in the league to place them. This week forms are being distributed to the schools, and all boys who are eligible should fill out this form and get them in as soon as possible. The month of December will likely be used as a practice period, while teams are being formed, and young players whip themselves into shape for the schedule which will start in January. Mr. Nelles intimated that all teams will be as evenly matched as possible, this factor being most important for the success of the league and the morale of the boys participating.

With the co-operation of the Niagara Packers, this Midget League formed by the Lions Club has played an important role in the young boys winter schedule for several winters, and it is hoped that this winter will see even more boys out to participate. The one single factor that has been lacking in the past has been the lack of coaches for the various teams. If any person with knowledge of this game of hockey has a little time to spend on Saturday mornings, we can think of no finer outlet. We are sure Mr. Nelles would be happy indeed to have interested men take over the coaching of any of the teams, and the coach would without a doubt get a big lift out of helping his team go out after the championship.

#### SHORT TIME VISITORS

Last year more than 23,000,000 persons crossed the border into Canada from the U.S., but over three-quarters of them stayed here for only a day or so.

#### MARRIAGES INCREASED

There were 77,288 marriages in Canada in 1929. 1946 was the biggest marriage year on record, with 134,078 weddings.

### GRIMSBY BOWLING CLUB HAD A FINE SEASON

After a number of years, during which time lawn bowlers here found it necessary to bowl on outside greens, the Grimsby Lawn Bowling Club was reorganized this summer. The move met with considerable success, as old timers and a host of beginners took to the well kept greens and at their first annual meeting, held recently, the executive reported a near record membership, and a healthy financial standing at the end of the season.

The local greens were the scene for many interesting and keenly contested tournaments and jitneys, outstanding in this department was the Fruit Tournament. Local bowlers certainly made a good showing in the many tournaments held here and other greens throughout the Province, attested by the large showing of silverware on display in a local shop.

Looking forward to an even better season next summer, new officers and committees have been formed, and are as follows:

President, B. A. Webster; Vice-President, Clarence Lewis; 2nd Vice President, Matt Fisher; Secretary Treasurer, E. A. Buckenham; Games Secretary, George Warner, assisted by D. E. Anderson.

The Greens Committee is comprised of Messrs Matt Fisher, Geo. Warner and W. E. Anderson. Auditors, Clarence Lewis and Jim Dunham. Membership Committee, Harry Groff, Jim Dunham and Charles Clattenburg.

The fees for the 1949 lawn bowling season have been set at \$10.00 for old bowlers, \$6.00 for beginners, while the fee for ladies has been established at \$5.00.

## TURNING THE PAGES OF

# "Canada Unlimited"

When Jacques Cartier arrived in Canada in 1534, he found the Indians living in strange-looking teepees made of branches and skins.

In 1608, Samuel de Champlain's fort was made of wood, surrounded by a stockade. The buildings that followed were made of great hewn beams, chinked with mortar.

In 1639, in Sillery, Quebec, the erection of a two-story, stone building was an ambitious project—but by 1750, most buildings were of stone, with windows of oiled paper.

Style in early Canada brought wood again into the building picture. Soon frame houses appeared, and gaily stood out from their drab stone neighbours.

Brick began to replace stone around 1800 in new buildings, and today many houses are of warm, substantial brick construction.

Today we have "solar" houses, of shiny, light aluminum. The opportunity for new ideas in construction are boundless—because there's room to grow in Canada Unlimited.

**O'Keefe's**  
BREWING  
COMPANY LIMITED

## SPORTRAYAL

By "HIGH" Mcgregor

After nearly a month of arduous labor, George Marr and his Arena staff have just about got the building in shape for the winter program. The annual task involves a lot of work, testing and repacing worn out pipes, painting, changing and renovating the spacious interior, and countless other tasks, which all go into the making of a better spot for the large crowds which will soon swell the rink to capacity.

One noted feature which will be of great assistance to the fans is the opening up of the alley under the stands on the east side. This has been partially closed now for several seasons, but this winter it will be open, which should make for a quicker and safer exit from the arena.

On Monday night the staff commenced the flooding process which should provide a perfect sheet of ice by this coming Monday when the opening game of the Senior "B" group will officially open the Livingston Avenue plant for the winter months.

For the grand opening the Peach Kings will entertain the Niagara Falls-Welland Mangs. Sammy Phillips, Mangs coach, has lined up a strong entry this season, making use of some of the better known names in hockey circles from the Falls. His forward lines are undoubtedly the strongest feature, with a defense that leaked like a sieve in the league opener against the surprising St. Catharines Mascons.

The Peach Kings are far from being in condition for the strenuous sessions ahead. Hindered by the lack of ice on which to practice, McVicar's Kings step right into competition after three practice sessions and one exhibition game. Definitely this lack of seasoning will tell on the blue and white, but only time will tell just how potent the team will be—practice or not.

Next Wednesday night, Preston make an appearance here. About Preston we know very little. It is rumored that they have a strong team, but again we shall have to wait and see.

Concluding a busy week, the Peach Kings journey to Brantford on Friday, December 3rd. Three games in five days should go a long way in conditioning the team, and giving us a pretty fair slant on what we have to expect for the lengthy schedule ahead.

Of interest to hockey fans regarding the sale of tickets for the twelve home attractions this winter. Reserved seats will go on sale to-day for the first time. You may purchase these at the Arena at any time during the day, and in Beamsville they will be on sale at Thomson's Drug Store. Price is the same as last year, seventy-five cents. General admission remains at fifty cents. Season tickets are also available. These may be ordered and are held at the arena box office if you desire. A season ticket entitles you to the same seat all winter, and they need not be all bought at one time. The seat is also held for you for playoff games. Season tickets are sold only at the Arena.

Well, the big \$64.00 question that has been the topic of conversation for the past six weeks was answered on Tuesday night. It was answered in no uncertain terms, as the Peach Kings in a 1948-49 walk into the Garden City Gardens and stole the show from the St. Kitts Mascons, and came home with a surprising three to one win.

We say surprising for the simple reason that with two practice sessions and belts, the game under the belt, the Kings are far from most part, shape. Yet for the night in their play on Tuesday, flowing of pressed the large, they looked very good.

Probably the most surprised and pleased person in the Gardens was the coach, Pop McVicar. To him was a realization of months of tedious negotiating, and what one thought in mind—that of giving the best hockey team possible—a three to one win was like seeing a dream come true. Manager Herb Jarvis shares equally in this department . . . for on the shoulders of these two men has been the task of finding, impressing and finally signing the boys who will carry the Kings far ahead in the Senior "B" race.

It has been a question of how we would stack up against city teams in this approved grade of hockey. The answer was given decisively. The win also means this. Monday night when the Kings entertain the Mangs, the arena here will be filled

to capacity, which is something unique for an opening game here. Tickets go on sale to-day at the arena and at Thomson's in Beamsville.

Those of you who sat by your radio to hear the game, the broadcast being sponsored by Peggy O'Neil and her famous Village Inn, no doubt were impressed by the proceedings, as Rexford Stimers gave his usual thrilling play by play description. The game was every bit as good as Rex made it sound. There were lapses at times, as the unconditioned Peach Kings found the going a bit rough.

The Independent's "Big Three" for the night are Denny Leeson, Peach King goalie, Aime Clements, St. Kitts goalie, who was terrific all night, and for the third selection we have picked Barry Blanchard, who scored that hard to get tying goal, and played a real game on the line with Warner and Duffield.

The Peach Kings have the finest team ever assembled in this district in the past 20 years. This broad statement we make, realizing it is very premature. However with Leeson in the nets giving us our first goalie in years, a sturdy defense in Clancy, Reid, Mann and Aitken, and three forward lines with experience, youth and speed, the Peach Kings have a potentially winning combination. Given more time to develop timing, and that all important conditioning, we certainly can look forward to a great season.

Robinson Crusoe could enjoy hunting. He wasn't afraid of shooting a man for a deer.

## "THE TENDER YEARS" A WONDERFUL PICTURE

There's a rich and exciting screen experience for all at the Roxy with the screening of "The Tender Years" on Friday and Saturday, November 26th and 27th. Here is a picture that carries a new emotional thrill with one of the greatest and best-loved comedians emerging as a new screen personality. "The Tender Years" tells the story of a small-town minister who suddenly finds himself catapulted into the fight of his lifetime, battling to right a wrong that even the town's most respectable people had winked at for a long time. Rev. "Will Norris" existence was placid enough, ministering to his community's spiritual needs, and being "the best dad a fellow ever had" to his twelve year old son, Ted. But one day Ted brings a dog home with him. The dog, badly slashed, turns out to have escaped from its owner who had pitted it in the ring in the brutal sport of dogfighting. Will is forced by "legal rights" to return it to its owner, only to find that he has lost the love and respect of his shocked son. What follows is a dual story of deep intensity as Will embarks on a campaign to eradicate the shame of dogfighting from his community. Joe E. Brown will astonish you with his powerful and sensitive portrayal of Will Norris. There is, to be sure, laughter in this picture—deep, quiet laughter—that Joe evokes in a manner quite different from his usual boisterous technique. "The Tender Years" is a film for all the family to see, and this reviewer feels sure that it will give the utmost pleasure to all that see it.

## PLENTY OF CALLERS

More than a million people visit Canada's national parks every year.

No matter where you travel, you'll find no greater telephone value; no better service at the same low cost.

THE BELL TELEPHONE COMPANY OF CANADA

## A New Travel Ration Period

Began

## November 16th

AS ANNOUNCED BY THE MINISTER OF FINANCE THE REGULATIONS GOVERNING THE USE OF U.S. DOLLARS FOR TRAVEL CONTINUE IN FORCE.

As in the past, it will be necessary for Canadians to obtain a permit from their bank if they wish to take out of Canada more than \$10 U.S. or more than \$25 in U.S. and Canadian currency combined.

Reports show that the saving of U.S. dollars made possible by travel rationing can be expected to amount to between \$40 and \$50 million during the period November 16th, 1947 to November 15th, 1948. This substantial sum was thus made available for the purchase of many essential supplies and commodities during this time.

The regulations governing the amount of U.S. dollars available for different travel purposes are outlined below:—

### Pleasure Travel

The maximum amount of U.S. dollars which any Canadian resident may obtain for pleasure travel purposes during the twelve months beginning November 16th, 1948, is \$150. In the case of children of eleven years and under, the amount is \$100. There is no restriction on the number of trips as long as the annual allotment is not exceeded. Any U.S. dollars obtained for one trip and not used on that trip must be brought back to Canada and exchanged for Canadian dollars at the traveller's bank immediately on his return. No credit for funds thus turned back can be allowed against the annual ration for subsequent trips.

### Business Travel

Applications for U.S. dollars for business travel must include a certification by the employer that the travel is in his business interests. Reasonable amounts of U.S. dollars may be obtained for this purpose.

### Border Travel

A Canadian resident may take out of Canada without a permit up to \$25 in currency, of which not more than \$10 is in U.S. currency. For this purpose, he may purchase up to \$10 U.S. in any calendar month. This is in addition to the annual travel ration.

Mr. and Mrs. R. G. Sterling have been visiting in Pittsburgh for a few days.

Mrs. L. L. Hinterleiter, Pittsburgh, is visiting her daughter, Mrs. W. Sterling.

Mr. Robert Walters is in Sunnybrook Hospital, Toronto, for examination and observation.

Mrs. Allan Pato of St. Catharines, well known in the Beach, passed away Monday, Nov. 22nd.

Ken Nelson returned home from a two week hunting trip to Comand and was successful in getting a deer.

Mr. and Mrs. A. L. Greenwood spent a few days at the home of Rev. W. J. and Mrs. Watt at Whitechurch.

Mrs. C. Rhodes had the misfortune to fall and sprain her wrist last week but hopes to be all right again in a few days.

Mr. George York had the misfortune to have his left hand broken in two places while at work last

week. He is coming along as well as can be expected.

Mr. and Mrs. J. J. Temple have returned home after spending two months with their daughters in Indian Head, Sask., and Sudbury.

Mr. George Fair brought in a nice showing of ripe raspberries last week. For so late in November we thought it worthy of mention.

The Misses Allie and Pearl Hiles and Mrs. F. W. Temple have closed their cottage and have gone to Florida where they will spend the winter months.

Friends of Mr. Alex Joss, who is a patient in Sunnybrook Hospital, Toronto, will be pleased to know that he is slightly improved. Mrs. Joss is spending a few days this week in Toronto with him.

**GRIMSBY BEACH CUBS**  
Last Friday's meeting opened with the Cubs, led by Fred Lee, joining in a Mouse Howl, and there by proving that they can even whisper with enthusiasm! The meeting was a very "starry" one,

with Akela awarding one 4-year, six 2-year and two 1-year service stars, by the flicking of light of a candle atop the Pack Totem. Charles Weech, Doug Young, Harry Astle, Harry Dancer, Gary Udell and Bill Dancer received their 2-year stars. Bill Jackson and Don Cosby got their 1-year, and Senior Sixer John Gillespie his 4-year service star. John then tacked another ribbon on the Totem and received his Artist Badge, and everyone is wondering where he can squeeze this latest badge in on his already crowded right sleeve! Next Bill Jackson received his Toy Maker Badge and proudly tacked his ribbon on the Totem.

The Cubs then went upstairs and everyone tuned up his voice for a carol-practice. Due to the Hydro cutoff, it was really quite dark to be able to read the words on the song sheets, but the Cubs made up for that by putting their hearts into the singing. Maybe if we all eat lots of carrots this week we'll be able to see better during the gloomy hour this Friday. Anyway be sure to bring SHINING faces to the meeting, so that Akela and Bagheera can see by their glow!

## WEST LINCOLN BIRTHS

Nov. 20—To Mr. and Mrs. Ronald Babcock, Beamsville, a daughter.

Nov. 21—To Mr. and Mrs. John Seldon, Grimsby, a son.

Nov. 23—To Mr. and Mrs. Clyde Alway, Grimsby Beach, a son.

## Coming Events

The Women's Auxiliary of St. John's Anglican Church, Winona, are holding their Annual Bazaar in the Winona Hall, Friday, Dec. 3rd, at 2 o'clock. Afternoon tea will be served, with numerous booths to choose Christmas gifts from.

A Bridge and Euchre party will be held at the Grimsby Park School on Friday evening, Nov. 26, at 8 p.m. This is sponsored by the Grimsby Park Parents' and Teachers' Association and the proceeds are in aid of a new piano for the Junior Room. Admission 25c.

## TRAIL RANGERS

The Trail Rangers of the Grimsby Trinity United Church visited St. Catharines last Wednesday evening to attend a Ranger Rally at the Memorial Church Hall. There were Rangers from all over the Niagara Peninsula in attendance. After a program of games on the floor of the Hall the Ranger meeting was held. The worship service being conducted by the Saint Paul's Church group. After a sing song, each group of rangers put on a stunt and our Grimsby Boys' stunt was very favourably received. Leon Betzner, who is the parliamentary candidate for Grimsby in the Boys' Parliament, gave a short talk on Parliamentary business. After all business was completed refreshments were served and according to some rangers this was the best part of the program. The boys were driven down in cars from Grimsby and many thanks are due Doctor Mitchell and Leon Betzner for the use of their cars and their time. This Trail Ranger group is a new idea here and is being sponsored by the Rev. Mr. Griffith of Trinity United Church. The group, though small as yet, is progressing very well and is learning to do some very useful things.

## PLAYERS' GUILD WILL PRESENT SMART SHOW

The Grimsby Players' Guild is presently hard at work on their first production of this season. They've one of the best comedies ever written — James Thurber's "The Male Animal."

With just one week left until the play is staged on December 2nd and 3rd the workers of the Guild are burning the midnight oil in order to give the citizens a good quality show. The play is really a scream and also contains a touch of today's news.

Tommy Turner, as played by Walter Morris, has been married for ten years to Ellen, as played by Peggy Morris. He is quietly settled down in a nice comfortable teaching job at Mid-Western University. But this is the weekend of the big Michigan game, and Joe Ferguson who was the greatest football hero Mid-Western ever had, as played by Owen Patterson, comes to town and, of course, sees Ellen, to whom he was sort of unofficially engaged. In addition to this slight upset in Tommy's life, he is brought into academic controversy when Michael Barnes, a young college intellectual, as played by George Winklemeyer, writes an editorial that causes the trustees to get hot under the collar. These and other circumstances well add up to a good evening of entertainment. So why not make it a date on Dec. 2nd or 3rd to be at the Grimsby High School Auditorium to see "THE MALE ANIMAL."

A woman is old when she begins to brag about her old age instead of trying to conceal it.

## Annual Commencement Exercises at G. H. S.

The annual Commencement programme was opened at 8 o'clock by the singing of "O Canada," followed by the "Lord Prayer."

Irene Martyniuk then entertained us by the playing of Valse in E Flat," a delightful piano solo.

Contrary to former years, the Valedictory Address was given by Marjorie Haworth, a graduate of Grade 12. In this clever speech, Marjorie brought back to mind the highlights of her school days.

Then Mr. T. L. Dymond, chairman of the Board of Education presented the Diplomas to the graduating classes.

Mrs. O. E. Palmer from the Department of Education, delivered an address on Guidance in which she gave advice on choosing a career.

Stella Ivanchuk then entertained by playing two selections, "La Paloma" and "Come Back to Sarrento" on the piano-accompanied while the stage was being set for a play. Directed by Mrs. L. E. Johnston, the play "Brothers in Arms" starred Jackie Constable, Don Mogg, Lorne Lindensmith and Irving Levine. It was an entertaining comedy taking place in the "God-forsaken" north, and everyone enjoyed this amusing addition to the usual programme.

This was followed by the presentation of medals and awards. Then the School Choir, conducted by Mr. G. L. Eaton sang a group of numbers which included the new School Song written by Mrs. Johnston. The programme was concluded with the singing of the "National Anthem."

The students immediately headed for the gymnasium where they spent an enjoyable two hours dancing.

**Secondary School Honour Graduation Diplomas**  
Douglas Alton, Shirley Cornwell, Geraldine Marsh.

**Secondary School Graduation Diplomas**  
Ruth Cornwell, Marjorie Haworth, Dawn Kemp, Angus MacMillan, Eleanor Merritt, Patricia Merritt, Earle Metcalfe, Joyce Metcalfe, Marilyn Milyard, Catherine Morrison, Marjorie Morton, Alan Scrivener, Betty Shantz, Ann Wade.

The Woman's Association of the Tweeddale United Church will hold their annual Bazaar in the local school Friday night, Dec. 3rd, with the programme consisting of moving pictures presented by Mr. Kenneth Johnson of the Film Board and the Department of Agriculture.

## ST. ANDREW'S GUILD

The Ladies' Guild of St. Andrew's Church held its Annual Bazaar and Tea on Thursday, November 18, at the Parish Hall, which was a great success. The main attraction was a booth of hand-made French lingerie which was completely sold out by late afternoon. The attractive candle-lit tables were continually filled, and the tea conveners, Miss Mollie Lee, Mrs. Oscar Spence, and Mrs. Ben Rogers deserve great credit for their part, as well as Mrs. Thibault and Mrs. Edrie Johnson — their tea-cup reading. Mrs. H. Stewart and Mrs. Beresford Scott read tea.

A table of plant and a candy table were added the usual tables this year, and they, too, were sold out.

The pillow cases and sofa were never more attractive, was also the fancy work with all colorful array.

## LEGION JOTTINGS

The monthly General Meeting held on November 17th, was well attended and we were honoured by the presence of the Zone Commander, Comrade Percy Haine and the Zone Secretary, Comrade Twos. There was a very enlightening discussion regarding the proposed endowment of a two bed ward in the new West Lincoln Memorial Hospital. The motion was carried with only three dissenting votes.

The meeting received the report that arrangements had been made to take care of needy transient veterans. In future any ex-service transient needing assistance should be referred to the Constable on duty, who will be authorized to provide necessary relief on behalf of the Branch or Poppy Fund. This arrangement is by the kind co-operation of the Chairman of the Police Commission and the Chief of Police.

Yes, there will be a children's Christmas Party this year, and work has started under the Chairmanship of Comrade John Hall.

All arrangements have been completed for the Branch Dance to be held at the Community Hall, Beamsville, on December 10th. Eph Slope is supplying the music and our Ladies' Auxiliary is providing the refreshments.

We now have over one hundred members in good standing.

## GRIMSBY WEATHER

Week ending at 8 a.m., Monday  
November 22nd, 1948.

Highest temperature 58.0  
Lowest temperature 32.2  
Precipitation 1.87 inches

## THE GRIMSBY INDEPENDENT

Thurs., November 25, 1948.

## (THE TRIUMPHATE)

The second game of the finals in Senior volleyball was played in the gym on Wednesday, Nov. 18th, at noon-hour. The result of the battle was that Grace McIntyre was victorious over Donna Marsh by a score of 25-19. This gave each team a victory a piece and a 3rd game was necessary. This game was played on Friday, 19th, at noon-hour and after a well-played, hard fought game, Donna and her team emerged victorious by a score of 35-18.

Thus we have the champions who under the capable guidance of their captain, won a total of 4 games out of a possible 6. Introducing them we have Donna Marsh (Capt.), Diane Kemp, Lois Taylor, Gail Morton, Ruby Mann, Eleanor and Pat Merritt, Jean Raymond, Barbara Cole, Shirley McVicar and Rose Truman. Champs—all of them!

With Sr. volleyball over, we now have the girls from Grade 9 and 10 having a schedule to follow. Captains who were elected by their classmates are Olive Clark, Sandy Rogers, and Margaret Hogan from Grade 9, and Marg. MacMillan, Ann Terry and Victoria Palmer from Grade 10. Each Capt. chose teams and the schedule is under way.

The first game was to be played last Friday after school, but had to be postponed because of the dance preparations. The games were played on Monday afternoon, Nov. 22nd, instead and the results were as follows:

Victoria Palmer's team bowed in defeat to that of Ann Terry by a score of 12-17. Marg MacMillan's team was victorious over Olive Clark's team with a score of 18-16 and in the 3rd game Margaret Hogan's team defeated that of Sandy Rogers' with a score of 26-18. All games were close as the score indicates and were well played. We will keep our eyes on these Juniors.

It seems as if there just ain't enough going on at G.H.S. for a new club has been formed, namely the "G.H.S. Athletic Club." This club is composed of boys from any of the forms. Their main object is to raise money for athletic equipment which is needed so badly for the various school sports and activities.

Three meetings have been held and the club officials have been elected. The president is our Senior athletic champ, Bill Sterling. Vice-President is John Miliard, Secretary, John Juras and Treasurer, Jim Juras.

The club's first intake will come from a dance—"The Sportsman's Ball"—to be held on Thursday night in the auditorium of G.H.S. The admission is the usual 25c and the fun commences at 8 p.m. Some thing new, however, is in store. For the boys have decided to have it in "Cabaret Style." So come one, come all and enjoy the fun.

The Dramatic Club held a meeting in the auditorium on Thursday, the 18th. The play put on was "A Marriage Proposal." Allen Bentley was Ivan Lomov, with Grace McIntyre as Natalia Stephanovna, the object of his affection. Joe Ivanski was the parent of Grace, Stephen Tschubukov, and portrayed his part well as did the entire cast. This was the last meeting to be held until after Christmas, due to exams, etc., so we'll see you then, critics.

Your reporters have already had news from two of our graduates and we thought you might like to know how they've been coming along. The two girls mentioned are Ruth Powell and Marjorie Morton. These girls, as most of you know, are taking a Physical Education course at McGill University in Montreal. Both girls specialize in swimming but Marjorie, who was Lifeguard at Grimsby Beach last year, has changed her interest to flying and hopes to obtain her pilot's license and Ruth has joined a Synchronized Swimming Club because both girls have all the requirements for a first year course in swimming. They both expect to be home for the Christmas vacation and you can get some first hand information from them.

Anyone else hear from some of grads? If so, let us hear about them and we'll pass it on to the rest of those who are interested in our alumni.

**COMING EVENTS**  
NOTICE to those belonging to the Writer's Club! The monthly meeting will be held in G.H.S. on Monday night, Nov. 29th. Be there on time, 7.30, so homework can be finished before midnight, students! There is no need to remind you, students, that exams are less than three weeks away, for the teachers take care of that, but we can stress the fact. A little study goes a long way when it comes to adding up marks for final results. If those marks add up to enough, they can

exempt a student from extra exams. So get a little more work done now and save yourself from a lot of it next June. A word to the wise should be sufficient.

The Staff and Pupils of Grimsby High School request your presence at the Annual At Home to be held in the High School Auditorium Thursday, December 23rd, 1948. Music by Ron Wicken. Dancing 9-11. \$2.50 per couple. Dress Optional.

Remember students that this is our big Dance and there are so many things to be done to make it a success. The Student Council will appreciate our help on the various committees and in selling the tickets. There is something for everyone to do.

## ANOTHER COP

If Grimsby keeps on it will soon have enough policemen to police a metropolitan area as large as Toronto.

Latest addition to the local detachment of the Provincial Police is a former well-known resident of Grimsby in the person of Constable Doug. Robbie, for some years an employee of the Grimsby Natural Gas Co. Doug was transferred to the Grimsby detachment on Monday.

The local detachment is now comprised of Corp. Teddy Hope and Constables Gordon Collins, D'Arcy Garrett, Hugh Thompson and Doug Robbie. Add to that Chief of Police James and Constable Davies and Seymour and you have eight cops residing in Grimsby.

## Obituary

## MRS. ALICE STEWART

Mrs. Alice C. A. Stewart, widow of Alex Stewart, died at her late home, Kildare, Grimsby, on Sunday night, after a lingering illness.

In her 74th year, she was born at Grimsby on May 24, 1875, a daughter of the late Sarah and Edwin Norton, and had spent almost her entire life in Grimsby. She married twice. Her first husband, John E. Scott, died in 1933 and her second husband died three years ago. She was a member of the Baptist Church.

Surviving is one son, Douglas E. Scott, of Grimsby; also two sisters and four brothers: Mrs. Nellie E. Caldwell, Dundas; Mrs. G. L. McBride, Grimsby; Edwin J. Norton, Grimsby; Charles E. Norton, Wilmington, Delaware; Fred W. Norton and Roy W. Norton, both of Hamilton.

Private funeral services were conducted by Rev. George McLean at the Stonehouse Funeral Home on Tuesday afternoon. Interment was in Queen's Lawn cemetery.

The casket bearers were her three brothers, Edwin, Fred and Roy, and Gordon McBride, brother-in-law.

## MRS. TERESA M. ROBERTSON

A wide circle of sorrowing relatives and sympathizing friends will learn with regret of the passing last week, in St. Catharines, of Teresa Mary, widow of Thomas K. Robertson.

Born in Peel, Ont., 86 years ago, the late Mrs. Robertson had made her home in this city for the past 39 years. During her residence in St. Catharines, she had endeared herself to many acquaintances through her kind and acceptable personality.

In religion she was an ardent member of St. Catharines Church and the League of the Sacred Heart.

To mourn her demise she leaves three sons, John of St. Catharines, Thomas of Toronto, and Joseph of Niagara Falls, N.Y.; four daughters, Mrs. Harry Gleason, and Mrs. John Scott, Rochester, N.Y.; Mrs. Melbourne Emsley, Grimsby, and Mrs. Henry Miller of this city; two brothers, Lawrence Wagner of Boston and Jerome Wagner of Rochester; 25 grandchildren and 32 great grandchildren.

The late Mrs. Robertson resided at the Durr and Son Funeral Residence, 39 Court street at King until Saturday-morning, November 13, at 9.30 o'clock. A Solemn High Mass of Requiem was sung in St. Catharines Church at 10 o'clock. Interment was made in the family plot in Victoria Lawn Cemetery.

CANNED PEACHES WILL  
BE VERY PLentiful

Ottawa, Nov. 23—Canadians will have to eat a lot of peaches this year to dispose of the peaches put up by commercial canning firms.

The Dominion Bureau of Statistics reported to-day that the commercial pack of canned peaches in 1948 amounted to 2,176,238 dozen cans, an increase of 171,744 dozen over the 1947 pack of 2,004,494. The net weight of the contents was 38,249,157 pounds against 34,096,789.

The pack in Ontario was 1,692,346 dozen cans weighing 25,714,851 pounds. In British Columbia, it was 582,892 dozen cans with a net weight of 10,534,306 pounds. The quick frozen pack amounted to 190,500 pounds and the processed pack to 743,892 pounds.

## BEAMSVILLE GROWS

The 1948 Beamsville Voters' List was posted in the office of Clerk-Treasurer Harry N. Reid on Monday. The current list contains a total of 1,114 names, an increase of 111 over last year. In polling division 1, south of King Street, there are 577 names, and in No. 2, north of King Street, 537 names.

Ho, hum! There is many a political prophet that lost everything but beer.
